## Scroll Invitation

This Scroll Invitation is made with off-white handmade paper rolled onto wooden scroll sticks. A handmade paper wrap is holding the scroll in tact and it's sealed with a wax seal. A skeleton leaf add that extra touch.

# Initials Invitation

## Initials Invitation

This Invitation was printed onto wave textured paper and the initials "J" and "F" (your own initials will be used) was given a sued effect to lift them out.

It's made into 3 sections and the third section was attached with hooks and diamantes are used on the front.
